REQUEST TO ADD PHYSICIAN

Each physician, podiatrist, or oral and maxillofacial surgeon providing services in the facility must be credentialed and privileged for the procedures they perform.

To add a physician to staff, the Medical Director must sign this request as well as include the following credentials for the physician:

- Copy of current State Medical License
- Copy of Board Certification or eligibility
- Hospital Appointment/Re-appointment Letter
- Delineation of Hospital Privileges including the list of approved procedures

I authorize and request that the physician listed below be added to facility ID # _____

New Physician Name: _____

Medical Director Signature: _____

Printed Name: _____

Date: _____
