## International Surgical

The Surgical Facility Director must attest that the facility meets all local, provincial, and federal regulations, since such governmental regulations may supersede QUAD A Standards. Please note, however, that the stricter regulation always applies.

Please complete and sign the following Surgical Facility Director's Attestation document and return it to the QUAD A office.

### Surgical Facility Director's Attestation

As Director of the (name of facility) \_\_\_\_\_, located at \_\_\_\_\_, I attest that this facility meets all applicable local, state/province, and national zoning and construction codes and regulations as mandated. I further acknowledge that wherever governmental regulations or codes supersede QUAD A Standards, the stricter rule is applicable, whether it is the local, state/province, national regulation or code or QUAD A Standard.
